

Accord

Linee parallele e montaggio semplificato in totale armonia

Accessori appositamente progettati, consentono l'applicazione del design Accord a qualsiasi tipo di ringhiera.

4116

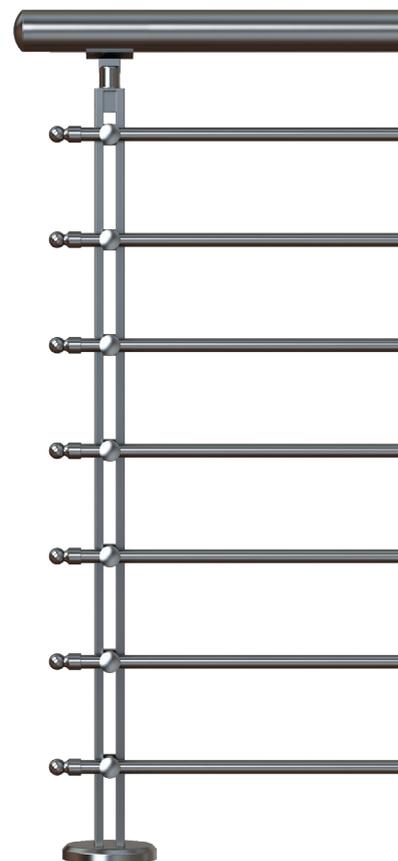

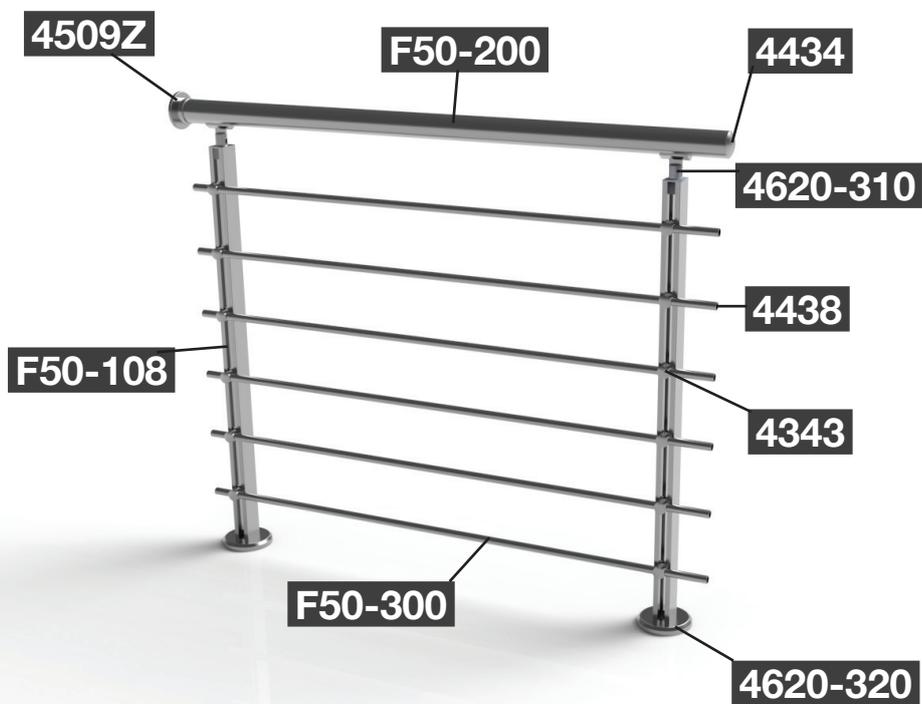

Accord BLADE

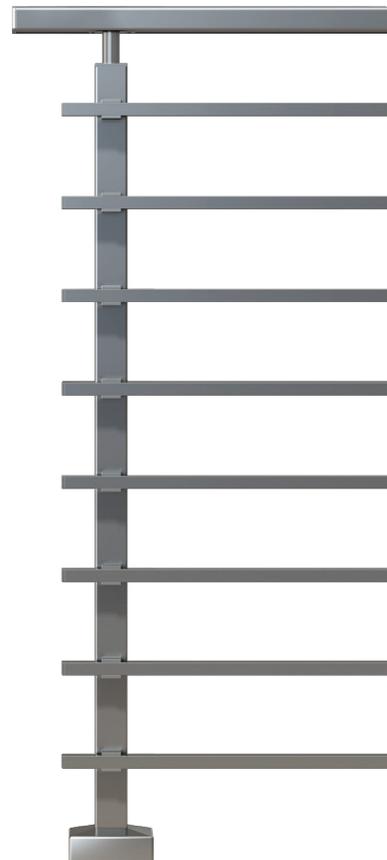

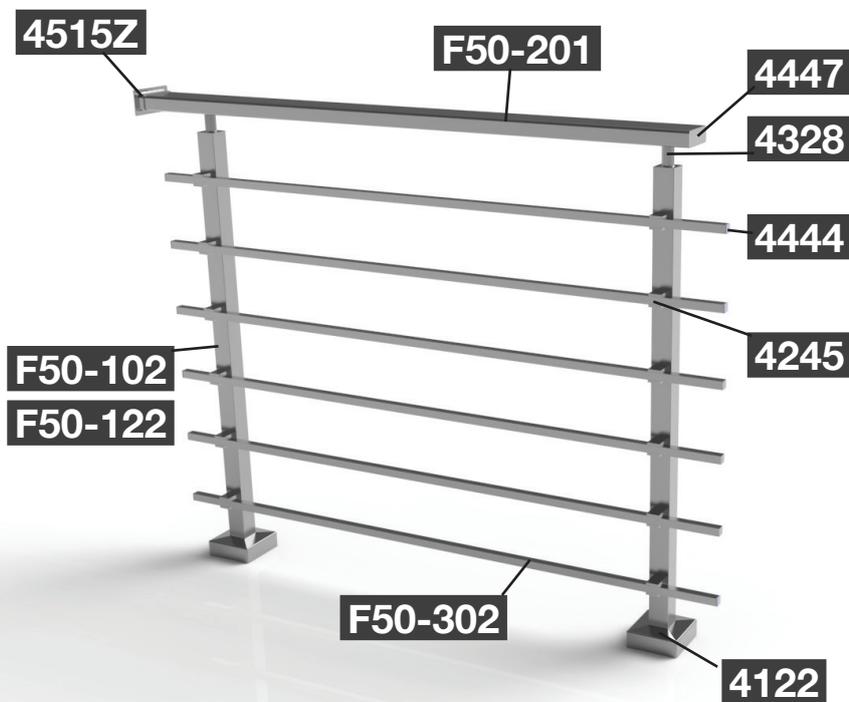

Linee parallele in una doppia colonna
progettata per specifiche esigenze di design

Accord XSQUARE

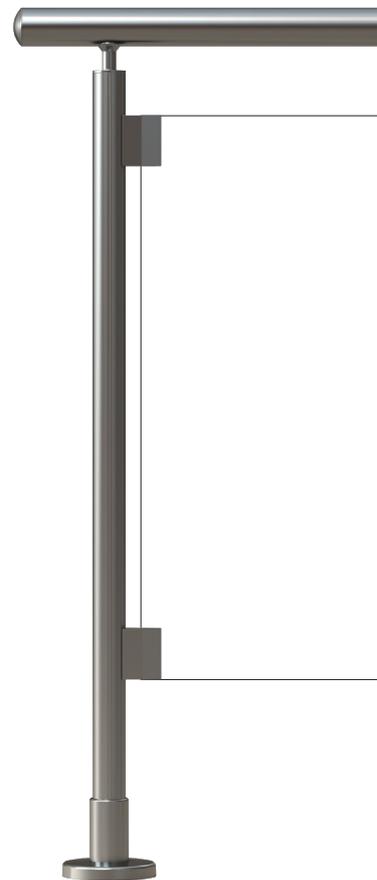

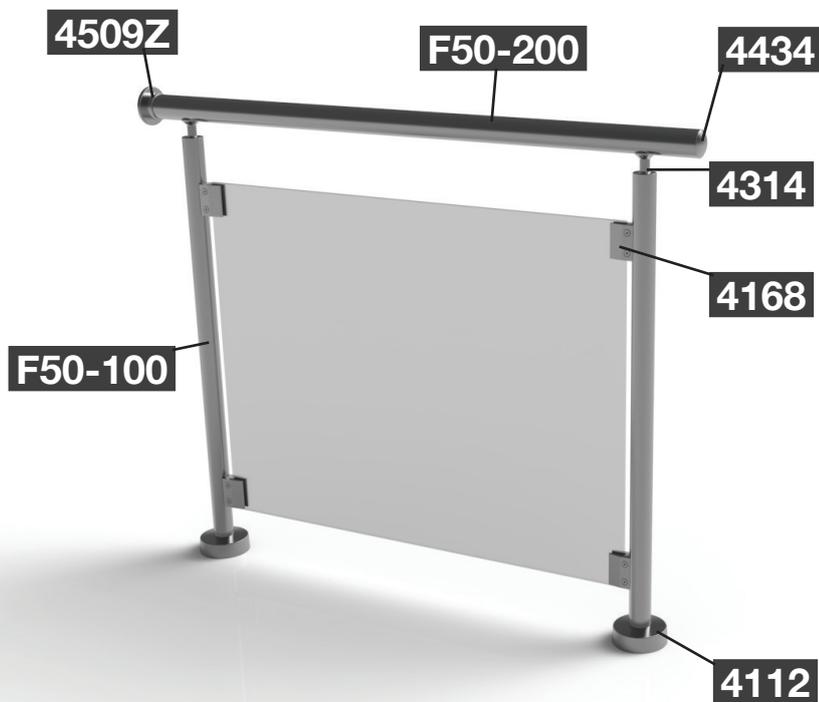

Linee semplici e minimali dal design quadrato

Horizon

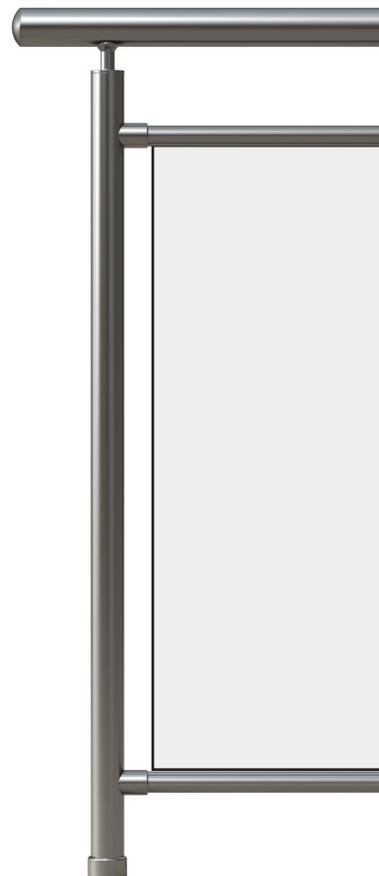

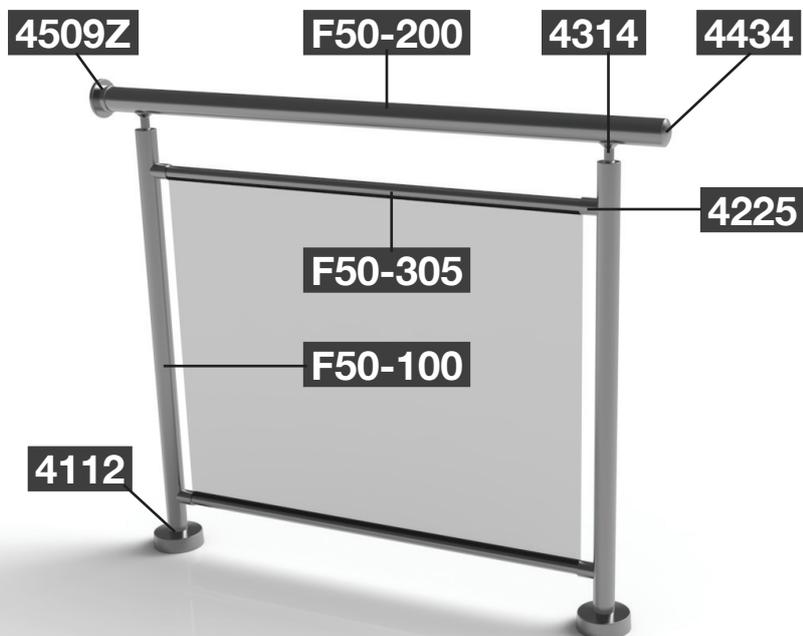

Delicato, etereo e sottile. Rilassati alla magnifica vista dell'orizzonte. Lascia che la tua immaginazione sia libera da ogni ostacolo

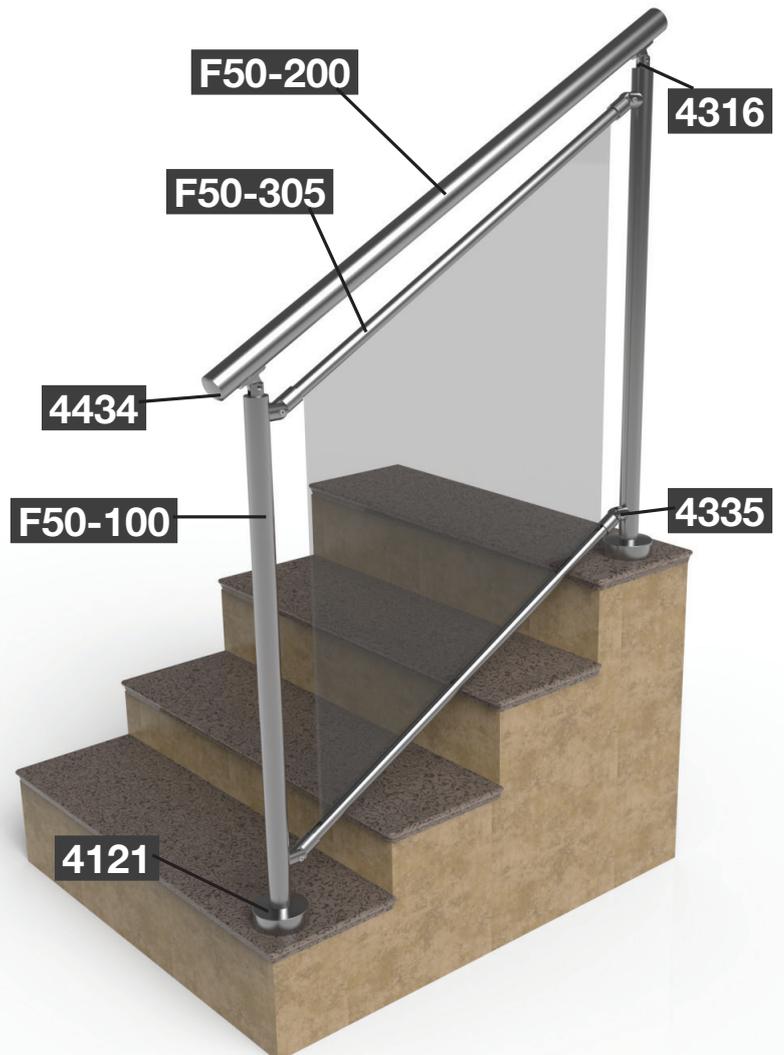

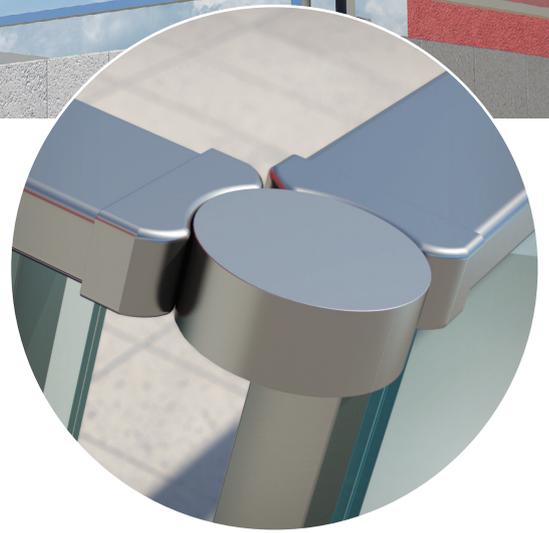

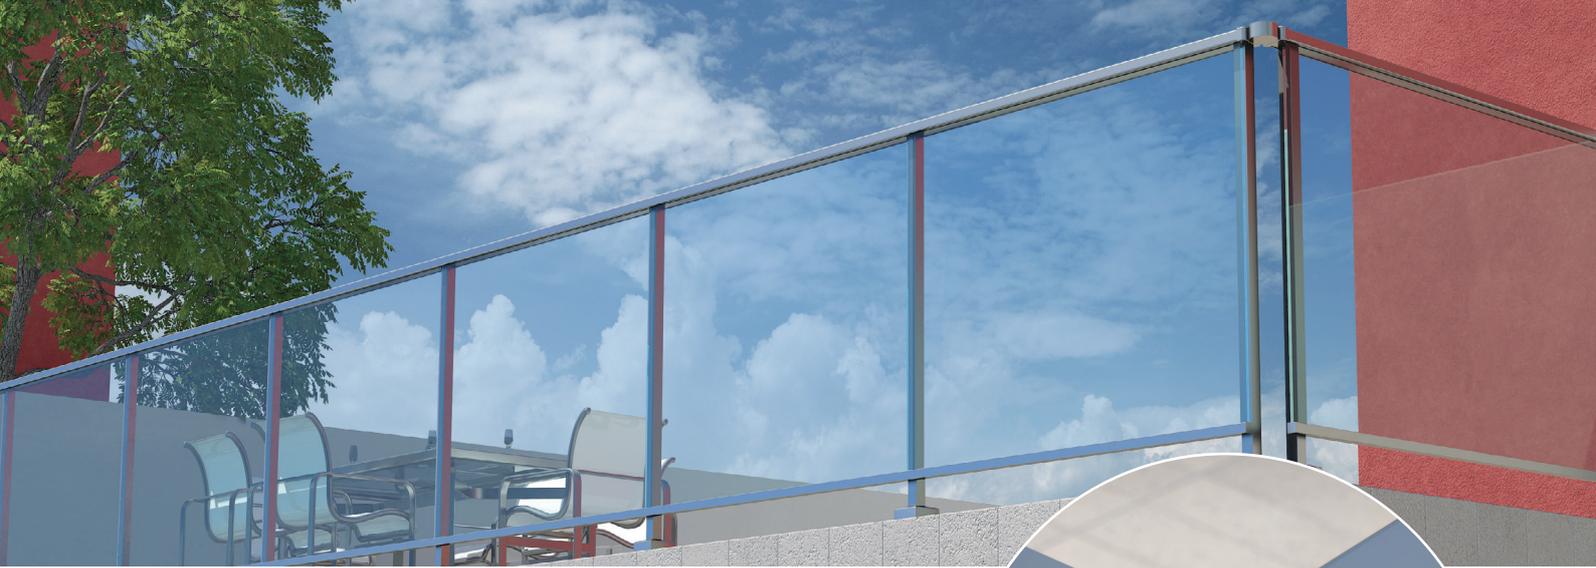

Horizon U-RAIL

Simmetria assoluta. L'armonia delle linee sottili crea una cornice meravigliosa per il panorama del tuo balcone

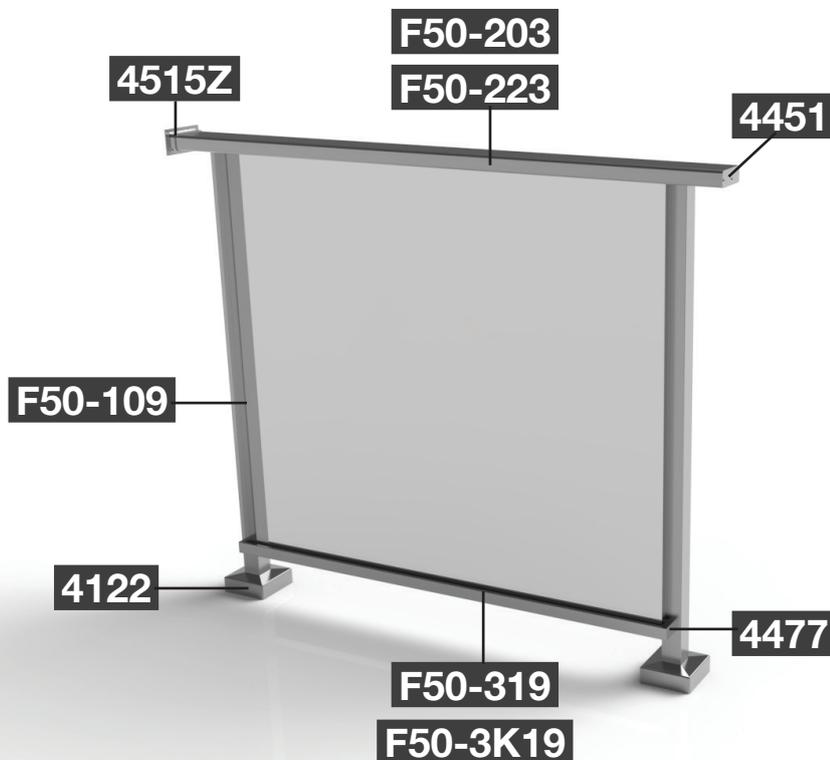

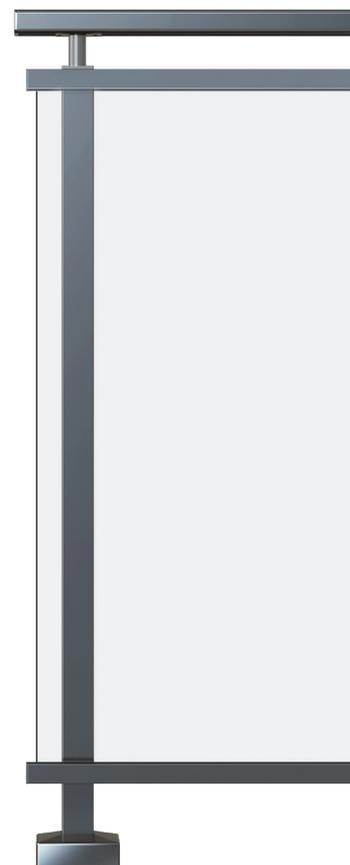

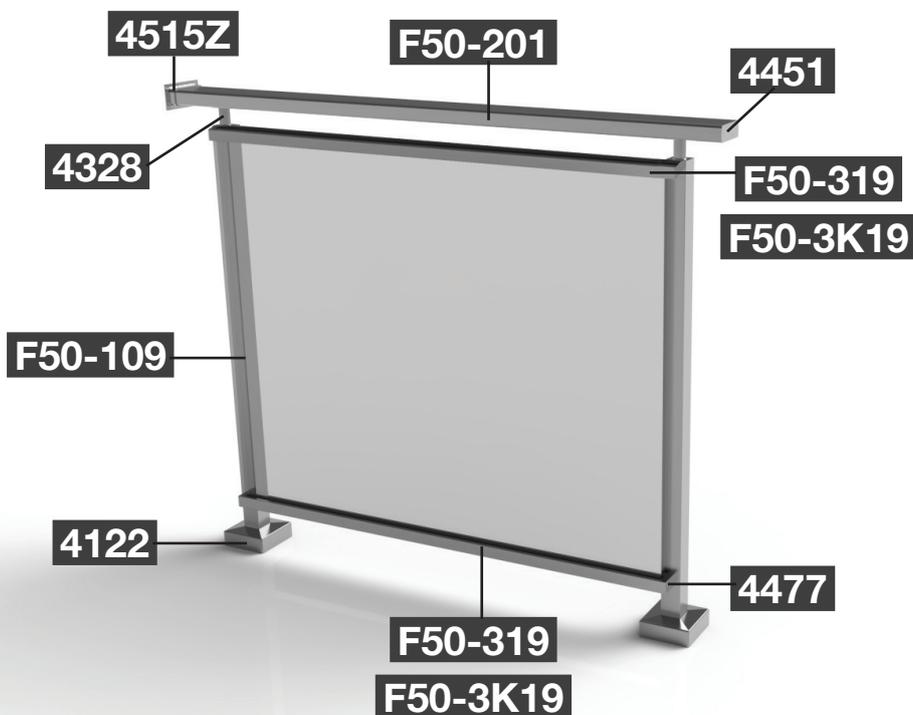

Horizon FRAME

Un vetro incassato tra un corrimano superiore e una guida inferiore che si sviluppa in orizzontale creando l'effetto di un nastro continuo per il tuo balcone. Vista illimitata e design moderno in assoluta armonia.

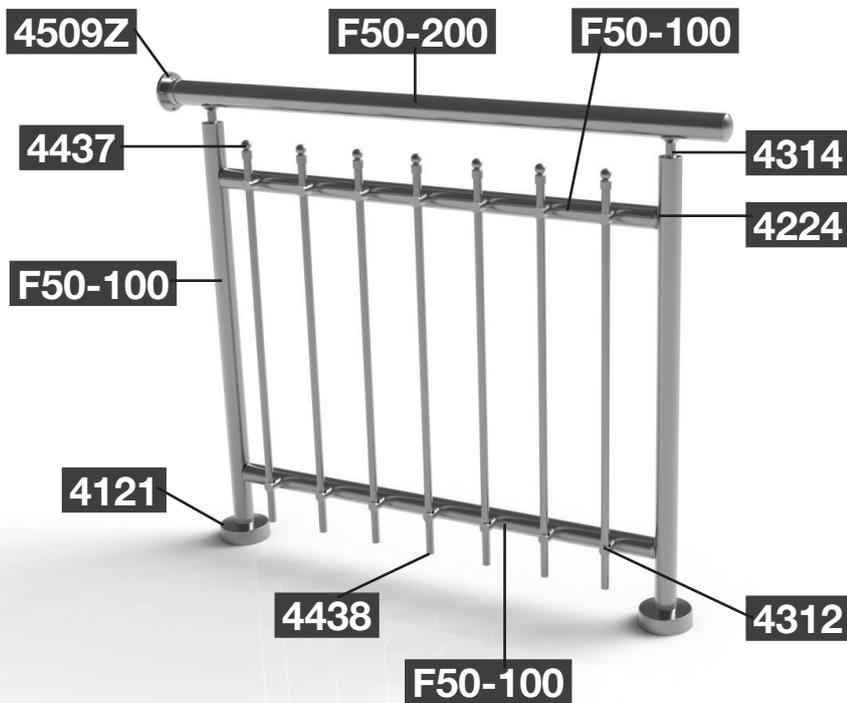

Horizon XFRAME

Vertical

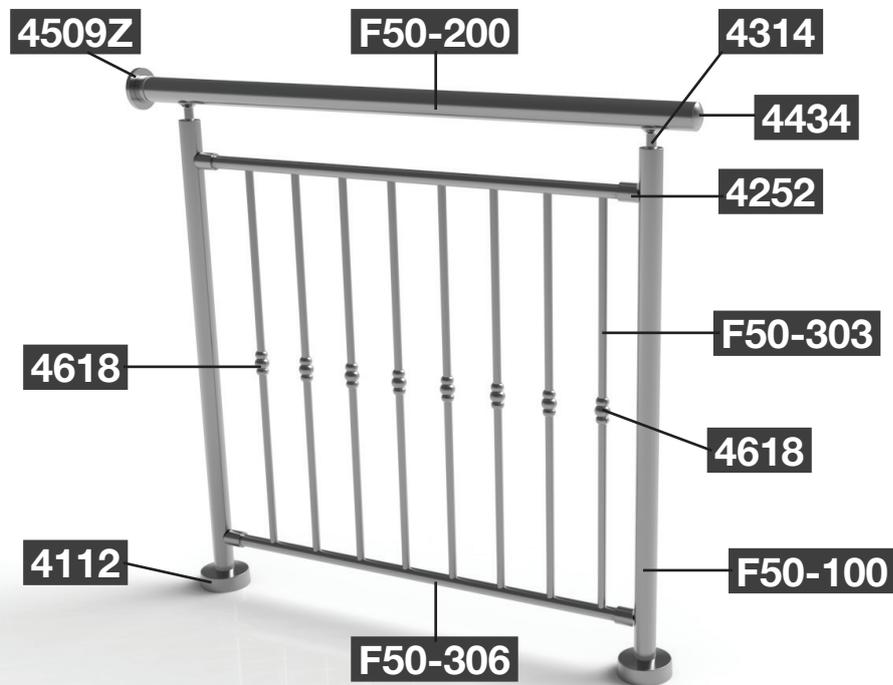

Dove lo stile moderno incontra il gusto classico.
Goditi questa combinazione semplice ma dinamica!

Vertical R

Una soluzione alternativa per gli amanti del design classico. Lusso delicato e linee raffinate.

Vertical Q

Un sagace incontro tra tradizione e modernità. Una classica ringhiera dalle linee squadrate e semplici.
